## Retreat Cancellation Policy

In the unfortunate situation where you must cancel, we will try and accommodate you as best we can, please see our cancellation policy below:

If you cancel your place up to 8 weeks before we can offer you a full refund.

Anything less than 8 weeks before and if we or you can't fill your place then the following terms apply:

We will offer a 50% refund on the remaining balance up to four weeks before

If you cancel your place less than three weeks before, and we or you can't fill the place, we will not be able to offer a refund.

If you cancel your place at any time less than 8 weeks before, and either we or you can fill your place, we can offer a full refund once the replacement has paid their balance.

If we have other retreats booked with availability and you need to cancel, if applicable, we can try and move your booking to another retreat.

In the event of a government lock down you will be entitled to a refund or a transfer to another retreat.

Please ensure that you hold valid travel insurance to attend the retreat.
